

E-Commerce Management

Hands-on Exercise No. 2

By Bakht Zamin

Exercise Outcome:

This exercise showcases my ability in:

- Using the Facebook Ads Library.
- Finding Facebook business pages with active Facebook Ads.
- How to find active Facebook Ads on competitors' Facebook business pages.
- How to analyze and create your own Facebook Ads based on current trending Ads.

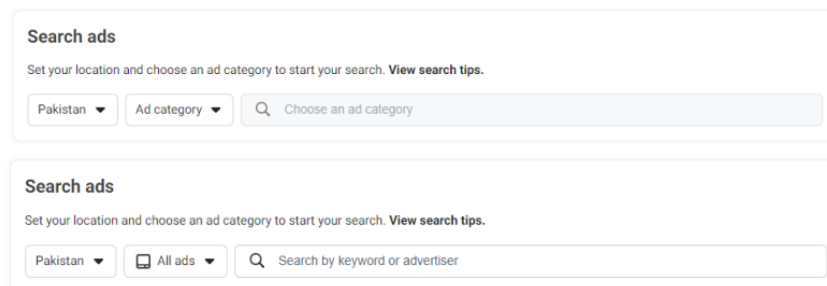

Problem Statement

Find Facebook business pages with active ads using the Facebook ads library and perform the four tasks based on your analysis. .

Use the link given below to access the Facebook ads library:

<https://www.facebook.com/ads/library>

Select “All Ads” in category selection as shown below.

Search ads
Set your location and choose an ad category to start your search. [View search tips.](#)

Pakistan ▼ Ad category ▼ 🔍 Choose an ad category

Search ads
Set your location and choose an ad category to start your search. [View search tips.](#)

Pakistan ▼ All ads ▼ 🔍 Search by keyword or advertiser

Tasks: 1.

Open Facebook ads library, select and find four Facebook business pages with active ads on them, and share a screenshot of each page displaying the active ads.

Solution:

Meta Ad Library report: Daraz Online Shopping

4. Please explain in detail what you have learned from this activity.

I have learned to navigate the ads library, explore various ad formats, and identify effective ad strategies. This activity provided an opportunity for competitive analysis by studying ads from different businesses within a selected industry. Overall, by completing this activity, I have enhanced my knowledge of Facebook advertising, ad formats, and strategies, which has enabled me to gain insights into successful ad campaigns and apply those learnings to my own marketing efforts.
